

Dear Jaguar Mk 10 - Enthusiasts,

**our beloved LADY TEN will be 50** in short.

She was introduced to press and visitors  
on **LONDON EARLS COURT MOTOR SHOW 1961**.

This jubilee we, the German Mk 10 enthusiasts, want to  
celebrate as it should be. And this is why we invite all Mk 10  
owners to join our celebration party in **Wulfsen** near Pattensen  
on **22nd Oktober 2011, beginning at 10:00** .

We meet on Bernies farm where you will find Bernie,  
Germany's greatest Mk 10 enthusiast together with  
some other Mk 10 lovers with their cars,  
Please understand, that because of space we can only  
welcome the **Mark 10 and 420 G Jaguars**.

We will offer soup, grilled sausage and drinks for low prices.

If you prefer fine food, please bring with you in your boot.

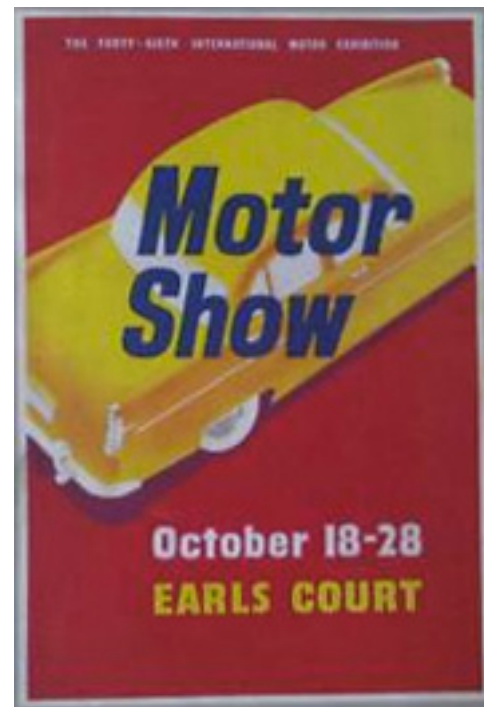

There will be no entrance charge, but you should give us  
**a written announcement before September is ending**,

As we have no possibility for overnight stay, please book a  
hotel yourself in the near cities of Winsen or Lüneburg,

Event address will be:

**D - 21445 Wulfsen, Pennbargweg 2**

So would you please inform other TEN-owners and then  
check your distance to **Wulfsen**.

Best regards from  
Bernie & Robert
